

Belton Regional Medical Center

Since 1984, our mission has been to provide the citizens of southern Jackson and northern Cass counties access to important health resources. To meet the growing medical needs of our community, we underwent a \$39.2 million dollar renovation. Today, we offer a full range of inpatient and outpatient services, supported by our excellent staff, advanced technology, and deep relationships within our community.

70+ beds

About HCA

HCA was founded by physicians. Their purpose was to create an environment where healthcare can flourish. They believed the best patient care begins by giving physicians what they need.

Today, we own and operate hospitals, freestanding surgery centers, and urgent care centers in 20 states. We are the preferred choice for more than 233,000 healthcare professionals, including more than 40,000 physicians.
